Reached the top but feel you could go further?

If you could make one improvement to your organisation what would you choose? What would happen if you don't make improvements? Would you be able to fully take advantages of the opportunities around you?

Effective leadership development to enable quick wins

As a leader of your organisation you are likely to have worked long and hard to get where you are. The higher up you go the more difficult it is to find development programmes that are worthwhile taking out time for.

We have four Leadership Development options that have been developed to focus on enabling Leaders of SME organisations to improve performance of themselves, teams and their organisation.

Funded Learning Options Dec 08/Jan 09★

Option	Time	Focus	Dates
Personal Productivity Master Classes Piccadilly Offices	1 day each	A choice of two intensive days concentrating on fundamental personal management areas for success: time, emotions, networks and working with others. Max 8 People	21 Jan and/or 22 Jan
Mastering Personal Effectiveness	3 x 1 Hour tele-classes	This option focuses on psychological techniques, tips and strategies to help you get more done with your time and energy. Max 4 People	2/16/23 Dec OR 6 /13/27 Jan
Professional Leadership & Business Coaching 1-to-1 sessions	2 Hours per month over 3 months	If you have an area you want to truly focus on with a skilled business psychologist and coach then this provides an opportunity to break down any barriers and make progress to achieve personal or organisational success.	Initial Sessions Available Dec/Jan
Team Excellence Coaching Face to face team sessions	½ Day per month over 3 months	During times of turbulence in the marketplace it is often the combined effect of a team that makes a difference to an organization.	Initial Sessions Available Dec/Jan

time 4 change provides effective leadership development

At time 4 Change we are focused on results – just as our clients are. All of our courses are designed to embed new knowledge in a way that allows you to start using it from the moment you step out of the room.

The material & topics we focus on are selected and **designed by Business Psychologists** who have spent years developing their expertise in Leadership & Management.

All of our learning options are led by experienced consultants. They have a minimum of 10 years practical hands on experience in the topics they deliver working at all levels within organisations large and small to ensure the knowledge and learning you collect from us is of immediate use and benefit.
